Provider Directory

Welcome to the Plan that
gives your family more.

WELCOME TO HARMONY HEALTH PLAN

While every provider listed in this document contracts with Harmony Health Plan of Illinois, Inc., to provide primary care services, not every provider listed will be accepting new patients. Although Harmony has identified those providers who were not accepting patients as known to Harmony at the time this directory was created, the status of any physician's practice may have changed. For the most current information regarding the status of any physician's practice, please contact either the selected physician or Harmony's Member Services Department at **1-800-608-8158**.

BIENVENIDO A HARMONY HEALTH PLAN

Pese a que cada uno de los proveedores que aparecen listados en este documento ha firmado un contrato con Harmony Health Plan of Illinois, Inc., para brindar servicios de atención primaria, no todos aceptarán nuevos pacientes. En el momento de confeccionar este directorio, Harmony identificó a aquellos proveedores que informaron que no aceptarán nuevos pacientes. Sin embargo, el estado de la práctica del médico puede haberse modificado. Si desea obtener información actualizada acerca del estado de la práctica de cualquier médico, por favor póngase en contacto con el médico elegido o con el Departamento de Servicios para Miembros llamando al **1-800-608-8158**.

A provider's listing in the directory does not guarantee that the provider is still in the network or accepting new members.
